

Indian Institute of Astrophysics

The Indian Institute of Astrophysics is a premier institute devoted to research in astronomy, astrophysics and related physics. It traces its origins back to an observatory set up in 1786 at Madras which from the year 1792 began to formally function at its Nungambakkam premises as the Madras Observatory. In 1899, the observatory moved to Kodaikanal. In the year 1971, the Kodaikanal Observatory became an autonomous society, the Indian Institute of Astrophysics. The headquarters were shifted to Bengaluru into its present campus in Koramangala in 1975. Today, funded by the Department of Science and Technology, the Institute ranks as a premier institution devoted to research and education of ast....[Know More](#)
