

Adarsh Mahavidhyalaya, Jodhpur

Respected Guardian, Dream and keep the sense of realizing them in the heart. For this purpose the development institute continues to strive in the overall development of students in the last 37 years. This institute has established in the field of education pacing on the path of hard work, firm determination and discipline. There is no cost in the world, but the sculpture is precious. The stone a sculptor touches, becomes precious. A student is just like a stone which can be chiselled by an Ideal teacher so that our student may take the form of a sculpture. The Institute has played the role of the sculptor for 37 years.
