

Dr. Radha Krishnan Women Teachers Training College

The college has started in 1964 by the efforts of institution's father Mr. Ramchand. He kept a single motto quality education and strong teaching techniques to our student, so they can go in world and fabricate the future. It was started with just 2 rooms and 4 faculties. Now the infrastructure holds different interactive labs, more qualified and experienced faculties and non teaching staffs. The college also focuses on all round development on other curricular activities such mock teaching rounds, sports, social volunteering in nearby villages and much more.
