

# Lucky Institute of Professional Studies Jodhpur

---

Lucky Institute of Professional Studies is established by the Lucky Shikshan Sansthan, Jodhpur which has been providing education for the last 43 years. The institute is running under the kind and able guidance of its Chairman, an educationalist and a great visionary having a long association with the education field. Lucky Institute of Professional Studies is one of the leading Institutions on the educational horizon of northwest India. It has made a modest beginning with the introduction of a course in Master of Computer Application in 2001. The college is approved by All India Council of Technical Education & Department of Technical Education, Jodhpur. [Know More](#)
