

JIET COLLEGE OF NURSING

JIET College of Nursing believes that Nursing is a direct service, goal oriented and adaptable to the needs of the individual, family and community during health & illness. Nursing is a profession, which is influenced by advances in science and technology and must advance with other professions to create a balance in health care. The college will be preparing students to develop ability in critical thinking, problem solving and take up responsibility in continuing education for professional effectiveness. The college will emphasize in spirit to serve the humanity with compassion. The profession involves selfless devotion and high degree of professional competence in keeping with latest techn...[Know More](#)
