

Raghavendra Institute of Management Sciences

In the year 2015, the Raghavendra Educational and Rural Development Society has launched its Management Institution, Raghavendra Institute of Management Sciences. RIMS has been established for a purpose, contoured with high academic concepts. The main objective of the MBA Programme is to motivate young students to take up challenges in lower level and middle - level executive positions in business and industry, in the context of the globalization process going on in the economy. It is also envisaged, to equip them with decision making skills, computing skills, analytical skills, entrepreneurial skills and so on. MBA programme from RIMS is affiliated to " JNTUA (JAWAHARLAL NEHRU TECHNOLOGICA....[Know More](#)
