

Marwar Institute of Technology Jodhpur

With a sole aim to impart quality education to the youth of Marwar, MIT was established in the year 2010. It is one of the pioneer institutes in the State of Rajasthan. It is affiliated to Rajasthan Technical University, Kota and is approved by A.I.C.T.E., New Delhi B.Tech. Degree Program. Keeping in view the emerging economy's needs and opportunities for business as well as employment, MIT offers degree courses in core engineering subjects like Computer Science & Engineering, Electronics & Communications Engineering, Electrical Engineering, Mechanical Engineering & Civil Engineering. MIT also lays emphasis on Indian culture, heritage and human values. The crux of our education is the juxtap...[Know More](#)
